

PARTIAL TRAIL CLOSURE AND DETOUR

I-15 Bridge Over the Santa Ana River

WHAT'S HAPPENING:

Construction crews will begin work in an area surrounding the I-15 Santa Ana River Bridge in preparation for bridge widening, as part of the I-15 Express Lanes Project.

WHEN:

December 2017 through 2020

WHAT TO EXPECT:

Construction equipment will be utilized on portions of the Santa Ana River Trail, between Old Hamner Road and Corona Avenue. Movement of equipment and construction operations will create some noise, vibration and dust. **A limited section of the equestrian trail will be closed for the safety of horses, riders and pedestrians, requiring the use of a detour.**

This closure will allow for the following:

- Vegetation clearing and maintenance
- Widening of bridge over the Santa Ana River
- Replacement of removed vegetation
